Merry Christmas from God's Mountain 2017

God's Mtn - 14771 SW Old Hwy, Rushville, MO 64484 - 816.688.7411 - office@godsmountain.net

We hope that 2017 has been a year of blessings for you and that **you're able to spend the holiday season surrounded** by those you love, celebrating the birth of our Savior. As always, **we believe that God's call on our ministry is to proclaim the gospel to everyone we encounter, to walk alongside people as they follow Jesus, and to build meaningful and impactful relationships through service, encouragement, and discipleship.**

Serving the Lord & Serving Together

There's nothing more exciting than seeing someone come to Christ at camp. In that moment it might be just one or two volunteers praying with that camper, but so many people are a part of **what's happening**. Many are praying, not even knowing the individual camper. Many donated funds to build the chapel and the cabins where these moments happen; others volunteered to **build or to clean and upkeep camp so that it's warm and welcoming**, and a speaker shared the message of hope found in the gospel of Jesus. That prayer to accept Jesus might be shared among only a few people, but so many people are a part of that beautiful moment! And if you support camp, that includes *you!*

So on behalf of all of us at camp and the many campers and guests who encountered Jesus at camp this year we say thank you for being a part of our ministry, and we humbly ask for your continued partnering with us in boldly bringing the gospel into a world desperate for hope.

Celebrating the Blessings of 2017

2017 was a spectacular season of ministry at God's Mountain. We saw more campers than ever before, and most importantly, we saw God change lives! Here's some pictures & stories!

I sincerely and honestly cannot think of a better place to send my kids as campers and volunteer staff. This spirit-filled place has deeply blessed my children and the many other girls we have lead to God's Mountain.

Thank you for all you do, thank you for saying yes to the call, thank you for loving our kids so well. -A Camper & Staff Mom

A wonderful camp with wonderful people! I'm glad that God blessed me with being able to go to camp as a child and teen because it changed the way I live my life even now more than 6 years later!

-Camper Parent & Former Camper

God's Mountain has changed my life.. I learned what it really meant to follow Jesus, and serving at camp has shown me the importance of dedicating my life to sharing what Jesus has done in my life with everyone I meet.. -Summer Staff

This camp is such a blessing to other groups where they allow the full usage of their facilities. We were able to take our group of 56 military teens out to the camp for a weekend and the place was perfect! I suggest to anyone looking for a camp space and place to consider these folks first! -Youth Leader

We can't wait to see all God will do in 2018. Please join us in prayer for everyone who will be a part of this year of ministry!

How You Can Help

We believe that God has big plans for us, and we want you to be a part of it! Our ministry carries on all year long, with summer camp, retreats, partnering with area churches and ministries, Bible studies and 1-on-1 discipleship, and much more! To accomplish all of this, we need some help.

Pray for us often

As always, praying for us is the most important thing you can do. Perhaps you could add us to your daily prayer list, and pray as specifically as you can for our staff, campers, volunteers and guests. We want to be led by the Lord in all we do, and we want His work to be done in the lives of everyone who visits camp! Your prayers for safety, health and effective ministry are vital.

Support & Donate

Consistent monthly giving of any amount is incredibly helpful in the day-to-day upkeep of camp. Special one-time gifts are also essential! We are always in need of resources, from paper towels to washing machines to vehicles. Check out our monthly needs list or give us a call to find out about current needs.

God has blessed us with wonderful facilities and kept us packed with campers and guests all year long. We are always prayerfully considering the next steps in building projects to improve camp and our ability to effectively serve as many people as possible.

Since we're blessed to be packed with guests, we want the Lord to lead our creativity in planning the next steps. We know it's most exciting to give directly to a huge project, and we always take seriously the responsibility of putting all donations to effective use. We'll keep you up to date as the Lord makes His plans for us clear, but please know that giving to our General Fund gives us insight into when and how to take the next steps.

Volunteer

We also need volunteers! If you, your family, your Bible study or church group wants to help, give us a call to set up a volunteer work day.

Make sure everyone you know hears about the opportunities to camp, serve and partner with God's Mountain! Our supporters are our best ambassadors, so please help us spread the word!
